Appetizing Policy Ideas

Please determine whether your Kitchen Table Talk group agrees, disagrees or is indifferent / undecided about the following statements. Then go to www.peoplesfoodpolicy.ca/question1 to enter your group's opinions.

1. Canada should support Indigenous rights to harvest from their ancestral lands by signing the UN Declaration on Aboriginal People.
2. Agricultural policies in Canada should support the production, marketing, and distribution of locally grown food.
3. No one in Canada should have to rely on food banks. Healthy, affordable food should be available in every community.
4. The government should support young, new and small farmers to ensure a future for family farming.
5. Improve government policy concerning fish farms, e.g., farm location and the use of chemicals and antibiotics.
6. Canada's prime agricultural land should be protected from development.
7. The government should pass national (and support international) legislation to disallow the patenting of living organisms.
8. Remove agriculture from the free trade and investment agreements.
9. Canada should implement a national school lunch program like other G8 countries.
10. Canada should ensure that citizens have a voice in the creation of food and agriculture policy.
